About Junior Membership:

Help your children or grandchildren learn more about their Mayflower ancestors by sponsoring them to become junior members! Simply fill out this application and mail it in with the \$5 fee. Junior membership is valid until the junior member is 25, although they are eligible to transfer to regular membership at age 18. Junior members will receive their own newsletters and enjoy fun activities relating to the Mayflower. If you would like to sponsor multiple junior memberships, you may use an excel spreadsheet, listing each candidate's information on their own line.
